1. Connect to the Personal-Visitor wireless SSID and follow prompts.
2. Choose Visitor on the selection page and enter your email. Sponsor's email is Eve.K.Danoff@aexp.com.
3. Click Register. You will receive an email from Amex with a User Name and PIN, allowing access for the duration of DMZ.
4. For slides and session feedback, visit <https://technicspub.com/dmz1>.

Pre-conference Workshops (Tuesday, March 4)

	Skills	Communication	Certification	Semantics
8:00-9:00	Registration and Coffee [Canyon Hall]			
9:00-12:30 (includes 30 minute break)	Data Modeling Fundamentals. Sadie Hoberman and Steve Hoberman [3]	The only thing constant is disruption, but there's hope! Laura Madsen [1]	CDMP Awareness Workshop and Exam. Marilú López Flores [2]	Enterprise Intelligence. Eugene Asahara [4]
12:30-1:30	Lunch [Canyon Hall]			
1:30-5:00 (includes 30 minute break)	Intermediate/Advanced Logical Data Modeling Case Study: "Let's have a picnic!" Steve Sewell [1]	Storytelling for Data Professionals. Liz Warren and Dr. Travis May [3]	CDMP (Continued) [2]	Knowledge Graph and RDF Fundamentals. Sumit Pal [4]

The Main Event Day 1 (Wednesday, March 5)

	Skills	Technology	Case Studies	Semantics
8:15-8:45	Women in Data. Laura Madsen [1]			
9:00-10:00	The benefits of Domain-Driven Data Modeling. Pascal Desmarets [2]	<i>Session to be announced shortly!</i>	Data Modeling is Dead. Long Live Data Modeling. Joe Reis [1]	Building Knowledge Graphs. Sumit Pal [4]
10:15-11:15	MBBA – From Use Cases to Star Schema Definitions with Model-Based Business Analysis. Peer M. Carlson [3]	A new paradigm for data modelers: JSON Relational Duality. Beda Hammerschmidt [1]	Impress your colleagues at lunch by creating a Conceptual Data Model on your napkin! Kasi Anderson and Laurel Sturges [2]	Knowledge Graph Structures Beyond Ontologies and Taxonomies. Eugene Asahara, Kyvos [4]
11:30-12:30	Keynote: CRIME FIGHTER TO CRIME WRITER How A Police Captain Became a Best-Selling Author. Isabella Maldonado [Canyon Hall]			
12:30-1:30	Lunch [Canyon Hall]			
1:30-2:30	The Modern Data Architect. Doug Needham [2]	How to Model a Data Mesh for a Domain-centric Data Product. Anshuman Sindhar [4]	Gen AI, LLMs, and Database object modeling. Eve Danoff and Tinto Kurian [1]	<i>Session to be announced shortly!</i>
2:45-3:45	CDMP you said, what is CDMP? Michel Hebert [3]	AI as Your Database Modeling Assistant. Steve Sewell [1]	Data Modeling at Nedbank SA. Thembeke Snethemba Jiyane [2]	<i>Session to be announced shortly!</i>
4:00-6:00	Evening event: Casino Night! [Canyon Hall]			

The Main Event Day 2 (Thursday, March 6)

	Skills	Technology	Case Studies	Semantics
8:15-8:45	<i>Early morning session to be announced shortly!</i> [1]			
9:00-10:00	An Introduction to Data Vault for Beginners. Dirk Lerner [2]	Just the Facts: Information Modeling with Business Communication. Marco Wobben, CaseTalk [4]	Marketing Data Modeling: The Generative AI Advancement. Kyle Allison, The Doctor of Digital Strategy [3]	Bridging the Gap: From Logical Data Models to Semantic Knowledge Models in Capturing Business Knowledge. Jeff Giles [1]
10:15-11:15	Normalization Primer – 1NF through 6NF and Beyond! Pete Stiglich, Data Principles, LLC [2]	<i>Session to be announced shortly!</i>	An Introduction How to Manage Work with Flight Levels. Kerstin Lerner. [3]	How To Translate Your Data Model Into An Ontology! Norman Daoust [1]
11:30-12:30	Keynote: Connecting Data Governance and Data Quality to Organizational Value Peter Aiken [Canyon Hall]			
12:30-1:30	Lunch [Canyon Hall]			
1:30-2:30	DynamoDB Data Modeling using the Align > Refine > Design Approach. Pascal Desmarests [2]	Elasticsearch Data Modeling using the Align > Refine > Design Approach. Rafid Reaz [3]	<i>Session to be announced shortly!</i>	Neo4j Data Modeling using the Align > Refine > Design Approach. David Fauth [1]
2:45-3:45	How (and How Not) to Create Business Value Using Data. Larry Burns [1]	Transforming Enterprise Systems with 3D Integration and AI. Blair Kjenner and Kewal Dhariwal [2]	<i>Session to be announced shortly!</i>	<i>Session to be announced shortly!</i>
4:00-5:00	<i>Keynote to be announced shortly!</i> [Canyon Hall] and Closing Remarks			

Thank you Sponsors!
